

**Lake Havasu City Public Notice  
Request for Statement of Interest and Qualifications (RFQ)**

**Title:** **WATER RESOURCES & SYSTEM IMPROVEMENTS**

**Project Description:** Lake Havasu City is interested in receiving Statements of Qualifications (SOQs) from interested and qualified professional engineering firms to provide general and specialized engineering services related to the City's Water System. The City is seeking assistance with identifying improvements to be considered at various locations within the City over the next several years. The projects may include services during the pre-design phase for specific water improvements, the design phase, the bidding phase, the construction phase and the post-construction phase. Tasks may include master planning, facility planning and prioritization based on the City's capital improvements program and budget, system modeling, facility design for assigned projects, cost analysis and management, value engineering, recommendations for project delivery methods, obtaining required permits on behalf of the City, bid document preparation, bidding services, construction management, inspections and recommendations for project acceptance.

Statements of Qualifications submitted must address, as a minimum, all issues brought forth in this Request for Statements of Qualifications (RFQ).

**RFQ Due Date & Time:** **September 1, 2016, 3:00 p.m. Arizona Time**

**Interested parties:** A copy of the RFQ can be obtained through Onvia DemandStar at [www.demandstar.com](http://www.demandstar.com) or Lake Havasu City's Website at [www.lhcaz.gov](http://www.lhcaz.gov).
